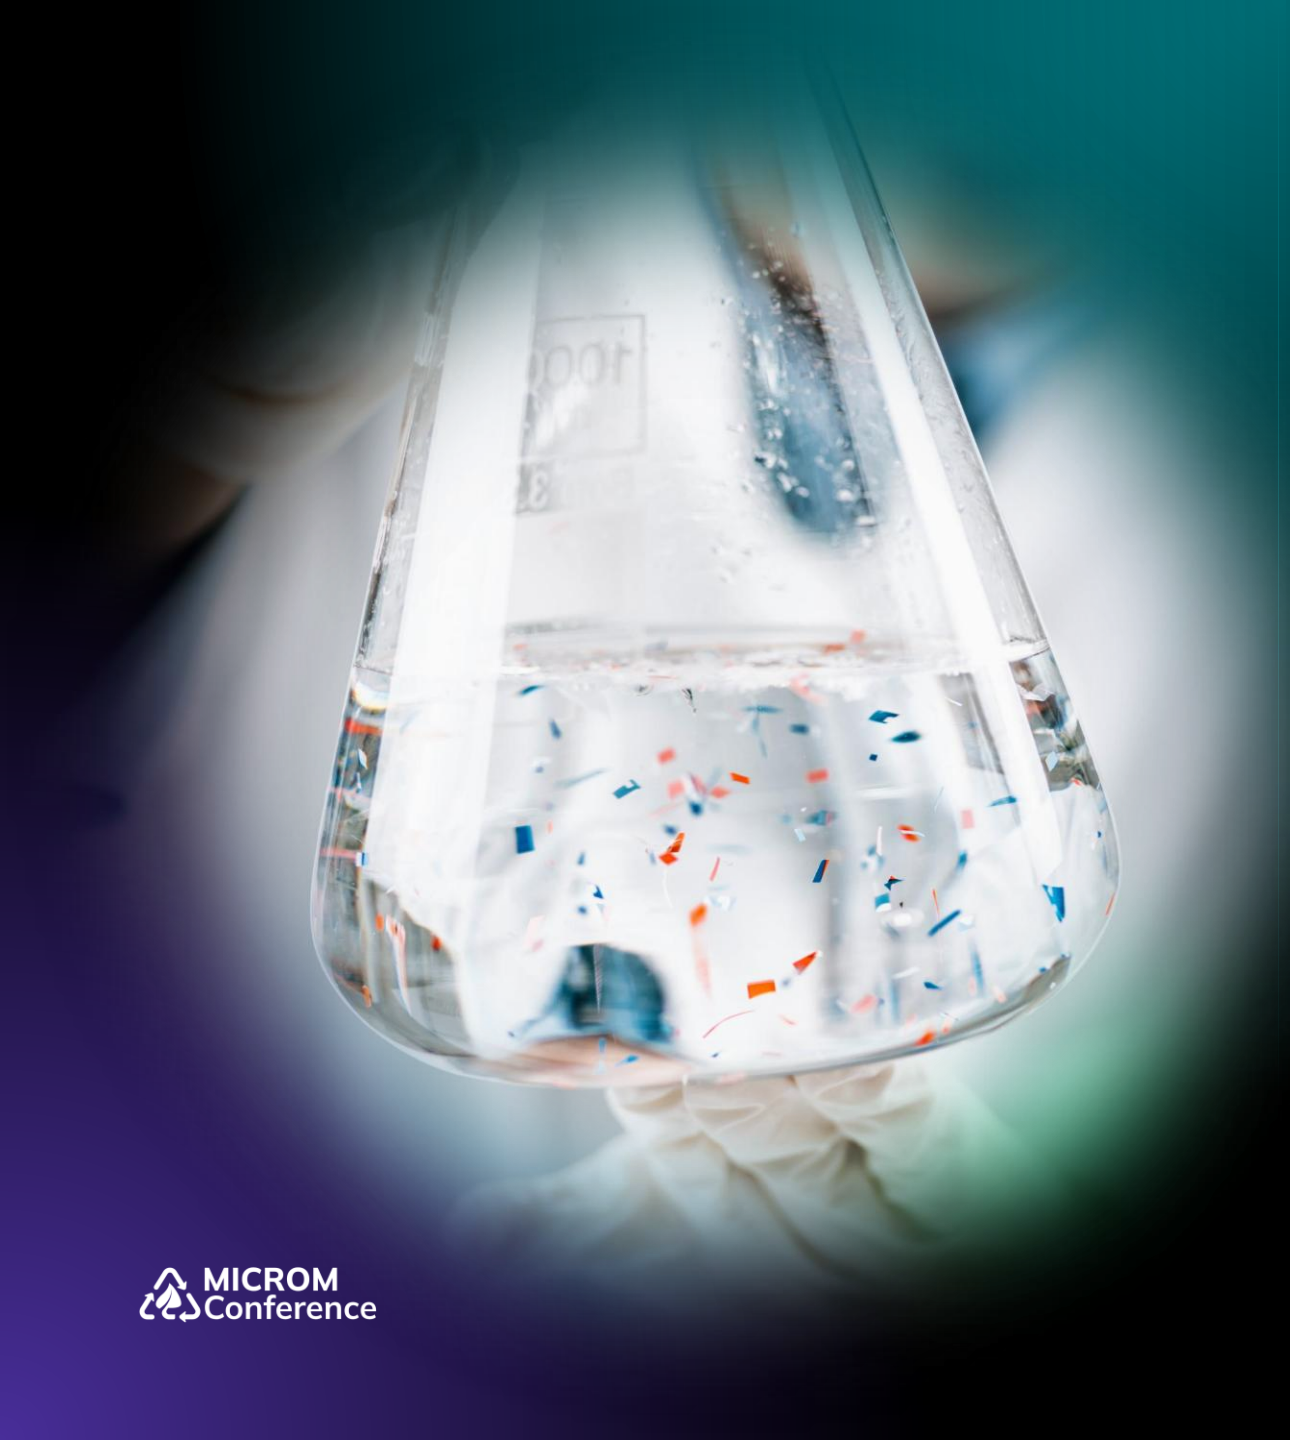
# MICROM 2027 Conference

International Conference on Microplastics, Nanoplastics and Emerging Contaminants

## Sponsorship Opportunities



MICROM Conference

# Turning scientific knowledge into sustainable solutions

8 - 9 of April 2027. Novi Sad, Serbia

MICROM 2027 aims to bring together leading experts, researchers, policymakers and innovators to discuss the latest advancements regarding both research and solution implementation in microplastic, nanoplastic and emerging contamimant fields.

As microplastic pollution continues to pose significant environmental and health challenges, this conference provides a platform for scientific exchange, innovative solutions, and collaborative efforts toward mitigation strategies.
